

2022 Directory of Gardner's Family of Immigrant Entrepreneurs

Graduates of the
English for Immigrant Entrepreneurs
ESOL Class of 2022

Do you want a new kitchen or bath?

*Do you need cleaning, maintenance, or professional organizing
for your home or office?*

*Are you in search of an affordable mover to ease your anxieties
as you make important changes in your life?*

*Are you planning a wedding or major event,
and need a professional event planner?*

Do you love jewelry but need your luxury to be affordable?

Do you want to enjoy sugar free nutritious desserts that refresh?

Our 2022 English for Immigrant Entrepreneurs graduates listed on these pages may be just what you need. Running thriving businesses, they are ready, willing, and able to help. Most have been in business for many years, while some, after extensive experience in their fields of expertise, are about to launch their own businesses.

Residential & Commercial

Juan Mahon

New England Air HVAC
Residential and commercial

I couldn't be happier with Juan and his team for replacing my heating system and central AC. They began the work on schedule and finished on time. They did a wonderful job and the new system works great. They cleaned everything up when they finished and it looks great too. They even submitted the rebate forms for me! I highly recommend them!
