

2025 Directory of Gardner's Immigrant Entrepreneurs

Participants in the English for Immigrant Entrepreneurs
ESOL Class of 2025

Do you wish to improve your overall wellbeing through exercise and stress management?

Does your computer need repairs, or do you need a new device?

Are you looking for a new home?

Are you looking for exceptional education for your child?

Do you need an item delivered to you from across town?

Are you looking for a custom, hand-drawn illustration for a specific event or upcoming celebration?

Do you want to elevate your style with a new pair of shoes or sunglasses?

Our 2025 English for Immigrant Entrepreneurs students listed on these pages may be just what you need. Whether running thriving businesses, or eagerly assembling their start up plans for their future businesses, they are ready, willing, and able to help.

Vivian Nassali

RUNFITNESS

Move. Breathe. Thrive.

Your fitness journey isn't just about the reps and sets. It's about becoming stronger, inside and out. I help busy professionals, beginners, and athletes alike move better, breathe deeper, and thrive in every part of life.

Whether you're looking to build muscle, reduce stress, or simply feel good in your body again, I'm here to help you show up as your best self.

Schedule your free fitness consult today.

Vaskar Gnyawali Breaking, Inc.

Plastic waste is a major global crisis. Plastics do not naturally decompose within our lifetime. However, due to heat and light, they break into micro and nano particles, causing adverse effects on the ecosystem and human health.

Breaking is a pioneering life sciences company focused on addressing plastic waste challenges through innovative synthetic biology technologies.

Specifically, *Breaking* discovered and isolated novel microbes and enzymes that degrade various forms of plastic and other substrates.
